## PROFESSIONAL SUMMARY

Motivated Higher National Diploma in Information Technology (HNDIT) student at SLIATE Gampaha with a strong interest in web application development. Hands-on experience building web applications with Laravel, PHP, MySQL, HTML, CSS, JavaScript, React.js and Bootstrap. Developed a Public Complaint Management System as the final-year project, applying MVC architecture, database management and role-based access control. Seeking an IT internship or junior web developer role to apply technical and problem-solving skills in a professional software development environment.

## TECHNICAL SKILLS

- **Programming Languages:** PHP, JavaScript, HTML5, CSS3, Python
- **Frameworks and Libraries:** Laravel, React.js, Bootstrap 5
- **Database:** MySQL
- **Tools:** Git, GitHub, VS Code, Google Colab
- **Concepts:** MVC Architecture, CRUD Operations, Database Management, Role-Based Access Control, Software Testing, Data Preprocessing, Machine Learning

## PROJECTS

**Public Complaint Management System (Final Year Project)** | *Laravel, PHP, MySQL, Bootstrap 5, JavaScript*

- Developed a web-based system for submitting and tracking public complaints.
- Implemented role-based access control for Admin, Officer and Citizen users.
- Applied MVC architecture using Laravel.

**Student Mark Prediction System** | *Python, Google Colab, Machine Learning*

- Developed a machine learning model to predict pass or fail results using student marks.
- Performed data preprocessing and analysis using Python.
- Trained and evaluated a prediction model using a student dataset.

**Task Management System** | *React.js, JavaScript, HTML, CSS*

- Developed a task management web application using React.js with CRUD operations to add, edit and delete tasks.
- Used browser Local Storage to save tasks and keep data after page refresh.
- Built a user-friendly interface and used React components and state management to handle task updates.

## EDUCATION

**Higher National Diploma in Information Technology (HNDIT)** | 2024 – 2026 (Undergraduate)
Sri Lanka Institute of Advanced Technological Education (SLIATE), Gampaha

**G.C.E. Advanced Level** | 2022
N/Sumana National School, Thalawakalle

## LANGUAGES

Sinhala, English, Tamil (Basic)

## SOFT SKILLS

Problem Solving, Communication Skills, Teamwork and Collaboration, Time Management, Willingness to Learn
